

Job Title: NDT Inspection Engineers

Industry: Oil & Gas

Location: Warrington, Liverpool, Manchester, Cheshire

Rate: You will be rewarded with a competitive base salary and excellent overall package.

Job Type: Permanent

Start Date: ASAP

Job Summary:

Due to rapid expansion of our business we are looking for Inspections Engineers of all levels to join our team. Successful candidates will be appointed in full time staff positions and be based in our Warrington office.

Ideally we are seeking applicants with:

- UT/TOFD experience with a valid PCN Level 2 qualification
- Phased array experience with a valid PA PCN Level 2 qualification
- Good knowledge of existing and emerging NDT technologies
- The ability to ensure all work is undertaken to high standards of safety and quality
- Excellent report writing skills
- The ability to work strongly in a team or autonomously when needed
- Driving license
- Effective communication skills, strong work ethic

You will be rewarded with a competitive base salary and excellent overall package.
