

Job Title: Workshop Technician
Industry: Engineering, Oil and Gas
Location: Warrington, Liverpool, Manchester, Cheshire
Rate: £22k - £28k depending on experience
Job Type: Permanent
Start Date: ASAP

Company:

We are a leading NDT company specialising in the design and development of both manual and automated equipment for the manipulation of inspection transducers, supporting our Worldwide NDT field service division. Projects typically range from ROV deployed subsea inspection equipment and topside remotely operated inspection equipment to manually operated scanners.

Job Summary:

We are seeking to employ a highly motivated Workshop Technician to work as key member of our equipment delivery team based in Warrington. Responsibilities will include:

- Mechanical, Electrical & Electronic assembly/test of equipment working at component level
- Provision of fit for purpose equipment in support of field services projects
- Fault find/repair/test of equipment following field service projects
- Equipment pressure testing, PAT testing, Calibration
- Mechanical manufacture using machines such as lathes and milling machines
- Liaising with equipment managers to ensure project requirements are met
- Specification and procurement of parts in relation to mechanical and electrical equipment
- Provide guidance to junior members of staff
- Packing, shipping, delivery and collection of equipment
- Ensure all equipment meets quality standards
- Maintain stock (ultrasonic probes, cables, consumable items etc.)
- Maintain a clean and tidy workshop environment

Qualifications/Experience:

To be successful in this position, the individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skills, and /or ability required:

- College level Mechanical or Electronics qualification
- A minimum of 3 years working in a mechanical, electrical or electronic assembly environment
- Ability to work under time constraints and meet agreed deadlines
- Self-motivated with the ability to work independently, in a team, and provide guidance to others
- Full clean driving licence
- Familiarity/Competency with Microsoft Office tools
- Good written and oral communication skills.

Benefits:

- 5% Employer pension contribution (if pension scheme is joined)
- 20 days holiday
- Profit Share Bonus
- Paid Overtime
